(a) Whether the Government proposes to set up a power project of 740 MW in Tripura ;

(b) If so, the details thereof; and

(c) The time by which it is likely to be set up?

## Answer

MINISTER OF THE STATE IN THE MINISTERY OF POWER(SHRI SUSHILKUMAR SHINDE)

(a) & (b) : A 740 MW power plant is not being set up by a Government of India Undertaking in Tripura. However, a private developer, M/s. IL&FS, in a joint venture with Government of Tripura and ONGC is planning a 740 MW gas based power project at Pallatana in Tripura. It has been informed that a Special Purpose Vehicle (SPV) has been formed by the name ONGC-Tripura Power Company Private Limited with equity holding in the company by Government of Tripura, ONGC and IL&FS as 24%, 26% and 50% respectively. As informed by the developer, the cost of the project is around Rs.2100 crores with debt Rs.1470 Crores and equity Rs.630 crores.

(c) :The developer has informed that project is expected to be commissioned by June, 2009.
